GEN-TEC NUTRITION: Protein Café has been formulated based upon many years of anecdotal evidence and experience. It is a blend of 5 premium proteins for fast absorption along with slow digesting proteins for sustained nitrogen retention and anabolic state.

Protein Café has been designed and formulated for commercial outlets desiring a superior quality protein powder for their aspiring consumers.

Protein Café is a very complex formulation designed for the most discerning consumer supporting their need to supplement their daily protein intake, and for the advanced consumer with a desire to maximise protein synthesis.

Protein Café is fortified with Colostrum containing 20% IgG for gut health and immune support and contains All Natural flavours, sweetener (Stevia) and colours.

INGREDIENTS: Proprietary protein blend (whey protein concentrate, milk protein isolate, calcium caseinate, egg albumen, colostrum), skim milk powder, cocoa, emulsifier (soy lecithin), natural flavours, thickeners (guar gum, xanthan gum), sweeteners (stevia, sucralose).

FLAVOURS: Chocolate, Vanilla, Banana

SIZE: 3kg
